**Neufund raises €2M for its blockchain-based venture fund**  
Posted Jan 17, 2017 by Mike Butcher (@mikebutcher)

Berlin-based **Neufund** has raised €2 million from Christoph Maire's Atlantic Labs, Klaas Kersting and a group of superangels. Neufund will use the funding to build an open platform for investors to acquire startup equity in the form of tradable crypto tokens.

Nothing new?
